RMA return receipt

The company Beck IPC GmbH uses a standardised RMA procedure.

For the processing of your request the following information is necessary.

RMA-No. (will be given by Beck) _____

Beck Customer number _____

Company _____

Contact person _____

Customer document number _____

Material number _____

Product appellation _____

Quantity _____

Serial-No. _____

Detailed error description _____

Detailed description of the specific local operational conditions _____

Please send these information via mail to support@beck-ipc.com or contact the support via phone +49 6441 3092 200 for a RMA number.

The filled out RMA return receipt with the assigned RMA number has to be packed with the delivery notes.
